Joyous June!

Welcome to the June edition...

There's a whole load of great events coming up over the next month – from outdoor adaptations of Shakespeare plays to jazz festivals. Fingers crossed the weather's good to us and we can get our picnic blankets out!

Or maybe you're busy getting your garden summer ready or preparing to move house. If you need help getting your garden landscaped, your drive re-done, or your bathroom or kitchen updated then have a look to see if one of the local and reliable businesses who advertise in here can help.

Wishing you a great month ahead. Until next month,

Zoe

Under Pressure

If you've been thinking about buying a pressure washer but aren't sure where to start we have some tips. Pressure washer size is determined by the pressure it provides rather than the physical dimensions of the washer.

Pressure Washer Size Guide:

Light duty: 100 bar / 1,500 PSI and below

- use for cars, bikes, garden furniture, bins, and outdoor play equipment.

Medium duty: 100-200 bar / 1,500-2,800 PSI

- use for fences, lawnmowers, gutters, sheds, walls, decking, patios, and driveways.

Heavy duty: 200+ bar / 2,800+

PSI - use if you have large, dirty walls, decking, patios, or a long driveway.

Water Flow Rate (WFR) - The water flow rate is measured in litres per minute or hour. High WFR + high PSI provides very efficient cleaning and rinsing capability.

Water Butt Connectivity - A water butt connection will allow you to purchase a compatible accessory that will connect your pressure washer to your water butt. This means that you can use the rainwater collected in your water butt for pressure washing, which saves you money and is kinder to the environment.

Caution - Be careful with windows; especially old ones because the pressure might be too strong for the pane causing it to crack. Some pressure washers have adjustable pressure settings, and a lighter pressure setting may be suitable for cleaning windows but check the manufacturer's instructions.

COMPETITION

Win 4 tickets to see Belfast

at **Solihull's Core Theatre**
on **Wednesday 6th July 7.30pm**

For your chance to win these tickets, sign up to the Shirley Index monthly e-newsletter at www.shirleyindex.com and the winner will be drawn at random.

Closing date for entries is 27th June 2022. The winner will be notified by email after this date. Please note there is no cash value nor exchange for this prize so please don't enter if you cannot attend the date shown above.

About the show:

BELFAST is a movie straight from Branagh's own experience. A nine-year-old boy must chart a path towards adulthood through a world that has suddenly turned upside down. His stable and loving community and everything he thought he understood about life is changed forever but joy, laughter, music, and the formative magic of the movies remain.

GOOD LUCK!

how to play sudoku

It's simple!

Fill in the grid so that each row, column and 3x3 box, contains the numbers 1 through to 9 with no repetition. You don't need to be a genius. These puzzles use logic alone. Watch out! Sudoku is highly addictive.
