LOCAL FAMILY RUN BUSINESS

249 Lyndon Road, Solihull B92 7QP

Quality care in Solihull you can trust

When a family is thinking about care for a loved one, they want the best - they want to know that the care home they choose will put their loved one's safety, happiness and wellbeing first.

Blossomfield Grange is managed by award-winning provider Care UK - one of the UK's most highly successful care home operators* with over 40 years' experience of delivering high quality care to older people.

Blossomfield Grange stands out from other care homes with its large apartment-style living and luxury facilities. The home offers a choice between two room types, each with their own ensuite bathrooms, private dining areas and kitchenettes. Our one bed suites are ideal for individuals, whilst our companion suites offer an additional room, perfect for couples to enjoy as an extra living area.

Living at Blossomfield Grange is all about quality of life, and we offer tailored care both for residential residents, as well as those living with dementia on our specialist memory care floor. All residents are supported to continue to enjoy lifelong hobbies and make new friends, from music sessions to quizzes, while dancing, exercise classes, yoga and gardening support residents to stay fit and active.

Blossomfield Grange is designed with signage, colour schemes, soft furnishings and floor coverings all chosen to create a calm and accessible home from home. The dementia suite also includes extra items to aid reminiscence and create a sensory and engaging space. We also have our own café/bistro, hair salon and large established gardens, enabling all residents to enjoy a fulfilling lifestyle.
